

A

### ◆特性

1. 高低壓連結、安裝維修容易
2. 體積少、高效率、省馬力
3. 最高工作壓力：210kgf/cm<sup>2</sup>
4. 可用同一軸連結

### ◆Description

1. High-Low pressure connection, easy operation and maintenance.
2. Compactness, high efficient operation with minimum horsepower loss.
3. Maximum working pressure 210 kgf/cm<sup>2</sup>
4. Extremely low noise and durable.
5. Two pumps are connected by the same shaft

### ■ 規格 Specification
